

CONFIRMATION EXPECTATIONS

Attendance at all confirmation events is crucial. Please attend each week whether during regular class time or Lenten Worship. Since Wednesday is “church night” there are no authorized school activities beyond 6:00 PM. Please have your parent call the church office in the event you are sick.

Respect of others is expected of all. Listen when others are talking, do not interrupt and no one make fun of what others say or ask.

We **maintain confidentiality** for what is shared in small group discussions.

In the small group, **everyone participates** and **no one dominates**.

Enter and leave the church with care, especially watching out for the safety of the young and old.

Quiet is to be maintained so that other groups and classes are not disrupted.

Guests are welcome at confirmation as long as they participate and do not disrupt in anyway.

We begin each confirmation night in the sanctuary. **We conclude each time** gathered at the baptismal font near the Welcome Center in the entry. Sit as a group in the sanctuary and wait to do the closing at the font until the entire group is present.

Worship is a part of confirmation. Fifteen Sermon Maps per year are vital for learning. WOW and Wednesday Lenten Worships make a great opportunity to complete sermon maps.

Service within LCOOR and beyond during your confirmation years and beyond is an expression of your Christian walk.
