

Our Second Ministry Priority
Developing Lives of Faith
Christian Education

When you and the young people of Lutheran Church of Our Redeemer were baptized, the church made a promise to support and pray for the baptized in the new life we find in those life-giving waters.

One of the ways Lutheran Church of Our Redeemer lives out that promise is through Christian Education. We have dedicated volunteers and opportunities on Wednesdays and Sundays for our young people to learn of God's love for them and for all God's created world grounded in scripture.

And, we can always do more. With a full-time Christian Education Director we will be able to imagine new ways to teach and embody the love of God in Christ Jesus with our young people and their families.

There is a financial need to make this happen:

- Our goal is \$20,000 of new pledged money.
- This will ease the financial commitment of increasing the Christian Education Director position from part time to full time.

There is so much joyful energy in the education wings of our building Sunday morning and Wednesday evening. Our church loves teaching and building relationships with the youngsters that know LCOOR to be a safe place to learn about Jesus and feel God's unending love. This is possible because of your prayerful gifts to the ministry.

Our ministry investment in 2022: \$20,000

LUTHERAN CHURCH OF OUR REDEEMER

Our gifts and offerings, joined together, accomplish ministry which is blessed by God.

This step chart gives you a picture of the number of households of LCOOR, currently giving at each level. As you study this chart, find your family's level of giving and ask yourself these questions:

- How does my giving level compare with other ways I use my money?
- Does my level of giving reflect my gratitude to God for all the blessings I have received?
- Can I grow in my giving to show my gratitude and to increase my support of the ministry of Lutheran Church of Our Redeemer?

GOAL: \$50,000
INCREASE IN OFFERINGS

An Education With Jesus \$21,000
Developing Lives of Faith \$20,000
Seeking & Embracing \$9,000
God's Plan
