

What will it take?

We are at an exciting time LCOOR!

Our church support staff is now fully loaded. Prayerfully, we will have a decision on our new pastoral leadership soon. We have our beautiful facility to support our Christian programs and the leaders to give their time and dedication to “making Jesus known through word and deed”.

What will it take.... to continue our ministry in 2023?

- It will take “WE” to volunteer our time to make our ministry stronger.
- It will take “WE” for additional prayer as we embark on our strategic plan and spread the love of God to our community and beyond.
- It will take “WE” as we welcome new leadership and appreciate the interim, we have had in Pastor Dave.
- It will take “WE” to bless our church financially \$80,000 (8% increase) more above this year. This will counter inflation and support the additional expenses for our ministry.

Please prayerfully consider that “WE” could achieve the 8% increase if each family moved up just 1 step on the giving ladder.

“WE”, with Christ, have the ability to do all things!

In Christ’s Love,

Todd Decker, LCOOR Stewardship committee member

“Let us run with perseverance...” Hebrews 12:1-2

LUTHERAN CHURCH OF OUR REDEEMER

Our gifts and offerings, joined together accomplish ministry which is blessed by God. This step chart gives you a picture of the number of households of LCOOR currently giving at each level. As you study this chart, find your family's level of giving and ask yourself these questions:

Ask yourself...

How does my giving level compare with other ways I use my money?

Does my level of giving reflect my gratitude to God for all the blessings I have received?

Can I grow in my giving to show my gratitude and to increase my support of the ministry?

Could I/we consider moving up one step?
