

# Decision Time!

“Let us run with perseverance the race marked out for us,  
fixing our eyes on Jesus” Hebrews 12:1-2

Our stewardship season will come to an end with our Commitment Week services on November 16<sup>th</sup>, 19<sup>th</sup> and 20<sup>th</sup>.

Please bring your commitment cards, mailed to you this week, with your pledge for 2023. We will have a family processional to the front of the church to present your cards at each service.

As a reminder, our 2023 Stewardship goal is \$80,000 or 8% increase in our current budget to counter inflation and support the additional expenses for our ministry.

This is a “We” ministry goal.

- If 333 of us give just **\$20 more per month** we will meet our goal.

So please prayerfully consider additional giving above this year to our LCOOR ministry and **see the step chart on the back for guidance.**

We thank you in advance for your love and gifts.

God bless, Stewardship Committee

P.S. Do not forget about the easy way to give to LCOOR electronically via Simply Giving. Visit with Jodi Spilde for more information.

# LUTHERAN CHURCH OF OUR REDEEMER

Our gifts and offerings, joined together accomplish ministry which is blessed by God. This step chart gives you a picture of the number of households of LCOOR currently giving at each level. As you study this chart, find your family's level of giving and ask yourself these questions:

## *Ask yourself...*

How does my giving level compare with other ways I use my money?

Does my level of giving reflect my gratitude to God for all the blessings I have received?

Can I grow in my giving to show my gratitude and to increase my support of the ministry?

Could I/we consider moving up one step?
